

Appointment of Best Management Group Operations Manager

Dinah-Louise Smith has been appointed to the role of Operations Manager, Best Management Group. Dinah will play a key role as part of the head office management team to maximise the performance of operating interests.

“Dinah was previously General Manager of The Point, Brisbane hotel where she did a great job over a number of years” said Managing Director, David Catterall. Dinah has 12 years experience in hotel and resort operations over a diverse range of fields. This experience includes front office and guest relations management, reservations and revenue management and financial control.

Established in 1999 and based in Brisbane Australia, Best Management Group provides business to business management services to hotel and resort owners and developers. The Company has extensive experience including the management of a substantial suite of properties in the lodging management sector.
